

June 2023

A Message from the Langley Board of Education

On behalf of the Langley Board of Education, we want to extend our appreciation to our students, staff and families as the 2022-2023 school year comes to a close. Thank you for all the hard work, dedication, and support you have all provided for our students and school communities.

Looking back on the year, we are so proud of what we all have achieved together, from our important work focusing on diversity, equity, and inclusion for all students, as well as our continued work in implementing trauma-informed practices, anti-racism and our continued celebration of the 2SLGBTQ+ community. As well, we continue to foster a deeper understanding of Aboriginal World Views and Perspectives as we move forward in our journey towards Truth and Reconciliation.

Looking ahead to the next school year, we are excited for our Board and the new Strategic Plan that will be implemented to help support our students and families. The Board hopes you enjoy some time off with your families and continue to be kind and support each other.

Have a wonderful summer break.
