

PARKSIDE CENTENNIAL ELEMENTARY SCHOOL

2024-2025 Action Plan for Learning

SCHOOL CONTEXT

- Parkside Centennial Elementary School is part of the Langley School District which resides on the unceded, traditional, and ancestral territories of the Matsqui, Kwantlen, Katzie, and Semiahmoo First Nations.
- Located in Aldergrove, Parkside is a school that reflects a diverse population. Parkside is a proud member of the Aldergrove Family of Schools including Shortreed Community Elementary, Betty Gilbert Middle School and Aldergrove Community Secondary School.
- Parkside is a constantly growing community. Currently we have just over 500 students in 24 divisions. We have a diverse group of students, including a growing population who are new to Canada.

SCHOOL VISION

We are a **COMMUNITY** of families, students and staff. We **believe** that **ALL** children belong and are capable of learning at high levels while creating a positive legacy for the future.

SCHOOL GOALS

1. LITERACY/NUMERACY

Developing a schoolwide culture of positivity towards reading and writing underpinned by specific and targeted instructional strategies to improve student literacy skills. Developing a schoolwide culture of positivity and growth mindset towards Math, underpinned by specific and targeted instructional strategies to improve numeracy skills.

2. SOCIAL & EMOTIONAL LEARNING

Maintaining our strong focus on the importance of social emotional learning and trauma-informed responses in school and classroom structures, routines and expectations. Working to create connections, care and belonging in a safe, inclusive and accepting environment.

3. STAFF TEAM DATA

COLLECTION TO ENSURE EVERY CHILD MATTERS

Using shared, dynamic data to responsively meet the needs of all learners. Strengthening our staff professional learning communities (PLCs) within a culture of collaboration, communication, and compassion with a focus on improving results in academic and social emotional learning.
